BOB MAUPIN NEW CITY COUNCILMAN

Is Elected To Succeed Sim Turpin—New Street Suggestion Meets With Favor

Election of Robert E. Maupin as councilman of Richmond to succeed Sim Turpin, resigned, discussion of proposals seeking to initiate a movement to open a street through the Walker property from Summit street to Lancaster avenue, and protest by the management of the moving picture theatres over the license fee charged in the new license ordinance featured the regular meeting of the City Council Thursday evening.

Councilman Benton was ill and was not present and shortly after the session had gotten under way the resignation of Akron O., where he is located now, was presented and accepted. Councilman Martin suggested that naming of his successor be deferred until Mr. Benton could be present. Other councilmen pointed out however, that the city had been without Mr. Turpin's services for some time and while no discourtesy was intended to Mr. Benton, nothing could be gained by putting off the election another month. Mr. Martin then nominated Reed Jett to fill the vacancy and Mr. Maupin was nominated by Mr. Hamilton. The vote was 3 to 1 in favor of Mr. Maupin and he was declared elected. He will be sworn in at the regular meeting in July.

Reports from city officers showed collections during the past month of taxes by City Collector Dykes amounting to \$679.23; Police Judge Murray Smith's report showed fines and sentences amounting to \$655 and 90 days imposed in June. Chief of Police Devore reported \$270 collected in fines. The minutes of the special meeting of June 26 showed that the council had declared the office of city physician vacant and the clerk was directed to notify Dr. N. A. Bailey of this action as he has been serving temporarily.

Upon motion of Councilman Hamilton the mayor was directed to purchase a carload of sewer pipe to build the extension on Tate's Creek avenue to the Whitlock property.

Discussion of a license on coal peddlers elicited the information that they have been paying \$10 a year, the regular peddlers' license.

Mayor O'Neil reported the purchase from the R. B. Tyler Co. of 16,000 gallons of Mexican asphalt road oil at 11 1/4 cents a gallon. He pointed out that the city will effect a saving of about \$1,000 in use of this instead of tarvia, and this price includes spreading it on the street and gravel over it, whereas the cost of tarvia had been 15c a gallon and the city had to put it on and then spread its own gravel.

Councilman McKinney reported that his committee recommended that the light on 7th street remain where it is and a new light be added on the east end of Walnut street where several new houses have been built recently.

Councilman Martin's motion that the firemen be allowed 10 days' vacation was approved, with the stipulation that the truck drivers must have competent substitutes to handle the fire truck while they are away. Mr. Martin's motion that new mattresses be supplied for the fire department rooms was referred to the fire committee.

The matter of an overflowing sewer at Walnut and Second brought to the council's attention by Mr. McKinney, was referred to Street Commissioner Aliman for action.

Councilman Hamilton sought to secure some relief for the drainage proposition behind the store of Frank Barnett in the East End. He said Mr. Barnett desires to put up a better building, but seems to have a swamp behind him with no outlet to it. The committee will visit the scene and see what can be done. Miss Anna Bell Ward presented the question of having the license lowered in the new ordinance for the Alhambra theatre and opera house. She declared that it was exorbitant and discriminatory.

The license was raised from \$500 to \$750. She sought information as to why such a high license had been fixed on this business when other businesses in town have a maximum license fee of about \$150 fixed for them. She declared that her company had lost money steadily and in large sums here the past six months, and that her business did not in any way justify such unreasonable license fee. She offered to show any of the councilmen the books to support her contention. In response to questions from the councilmen she asserted that the company charged no more for pictures here than they do in Lexington and that often pictures are shown for 30c here for which admission charge of \$1.00 to \$1.50 in big cities. She asserted that her company is asking for no concessions that are out of line but she did feel like they should be treated as fairly as other businesses in town. A motion by Councilman Hamilton that the Mayor and Councilman McKinney be named a committee to investigate the matter and report back, was carried without dissent.

Messrs. M. C. Kellogg and R. R. Burnam, Sr., suggested that the city might accomplish a greatly needed improvement and enlargement if steps were initiated toward extending Summit street through the Walker and the Collins property to Lancaster avenue. They emphasized the need of such a street and told of advantages that it would bring. Councilmen and officials agreed with them and City Attorney Rice was instructed to look up the legal phases of the matter. Councilman Crutcher said that he understood informally that part of the right of way could be donated to the city for such a street. Dr. J. G. Bosley said that T. H. Collins had told him some time ago that his part of the land would be given whenever the Walker heirs gave theirs. Mayor O'Neil named Messrs. Kellogg and Burnam a committee to act with the city attorney and see what can be done.

Dr. J. G. Bosley, city health officer, told of the need of forcing some property owners to cut the weeds on their property. He said he had no power to compel this unless given by the city. Dr. Bosley also objected to the order instructing him to lay a concrete sidewalk in front of his home on the Summit. He said if the councilmen or a committee of them would personally inspect his brick sidewalk, which he declared is a splendid one, and after seeing it would say it should be taken up and a concrete pavement laid, then he would do so himself without any further action on the part of the city. Messrs. Crutcher and Martin were then appointed a committee to investigate the condition of his sidewalk.

Tempe Brock, colored, sought relief from the council from water which she said pours over her property on Parrish street when a heavy rain comes. She says it runs down Parrish from Main street and floods her lot and outbuildings. Street Commissioner Aliman said the lot is so much lower than the street that it will be hard to remedy. Tempe thought a larger tile might help some and the street commissioner was instructed to see what can be done.

Upon complaint of Mr. Cornelison he was informed that Edwards lane will be repaired just as soon as the street force can get to it, which is expected to be within a few weeks. Councilman Martin pointed out that the north side of Edwards avenue is in the county and that the county should be asked to co-operate with the city in making the improvements needed.

City Collector Dykes presented a number of minor corrections for the tax books and City Assessor Deatherage read his report which is given in full in another column. Deatherage's request for allowance for two or three helpers was referred to the Finance Committee on motion of Councilman Hamilton.

J. Preston Smith asked that the street roller be put to work on High street. He said the thoroughfare there has gotten in such bad shape that water is being diverted onto the property of many.

Lexington, Ky., July 7—Vigorous efforts to sign up the Burley tobacco growers of the district of West Virginia, Eastern Ohio and Tennessee, is being done this week, says a Burley Association headquarters statement today.

JUDGE ACTS FINALLY ON LIQUOR CASES

The Court of Appeals in its ruling in its last session, gave County Judges jurisdiction to give final decisions in cases of law violations, several of which were tried in the Madison county court Friday morning by Judge John D. Goodloe. Before this time only examining trials, to hold the defendant for circuit court, could be heard by the county judge.

Fielding Baxter, negro, was found guilty of unlawful possession of liquor and was given, by County Judge J. D. Goodloe, a \$100 fine and 30 days in jail with a peace bond of \$1,000 for twelve months. At the same time Robt. Spillman, negro, was found guilty of unlawfully transporting liquor and was fined \$100 and given 60 days in jail.

Mount Perciful, white, near Bobtown, was found guilty of having in his possession, one-half gallon of moonshine whiskey and selling liquor to Fielding Baxter. He was fined \$100 and given 30 days in jail by the following jury—Ed Carson, W. S. Broadbent, R. M. Harmon, H. B. Willoughby, Joe Tribble and Wilson Tate.

These men were arrested by Deputy Sheriffs R. O. Moberly and Ben Davis on the Big Hill pike about one and one-half miles from Bobtown, July 1st. According to the testimony of Deputies Moberly and Davis, Spillman was in a car when the officers stopped and waited for the others. The officers hid until Baxter was about to receive the liquor from Perciful, and Spillman was in the car with the engine started. Then the officers stepped forward and placed the men under arrest. They found that Perciful had one half gallon in a saddle bag.

The two charges against Geo. Hopper were postponed until July 11.

John Horn, of near Red House, plead guilty to the charge of breach of the peace by willfully throwing a bottle into the car of Mrs. Kensie Reiss and was fined \$50 and given 25 days in jail by the following jury: Wilson Tate, J. A. Higgins, C. R. Barnett, Long Tom Chenaunt, Robert Tudor and Madison Burgin.

The case of Jephtha Onstaf against A. J. Tribble on a charge of breach of the peace, was tried before a jury and the defendant was found not guilty.

Fairis Marcum, on East Main; Goodloe & Abrams and Reed Williams on First street; W. T. Harvey on Irvine street and G. W. Goodloe on West Main street were approved, as soon as all are filed in writing as required.

Building permits were granted to C. M. Martin for a \$600 grocery and apartment on Estill avenue; to J. N. Snodgrass for a \$6,000 dwelling in Burnamwood; to C. G. Jenkins for a \$2,500 dwelling on Tate's Creek avenue; to M. S. Pontrich for green house in Rosedale; to J. S. Miller for a \$700 dwelling on 7th street and to W. B. Chenaunt for a \$600 dwelling on Irvine street. Councilman Crutcher raised the question of a lot of small houses being erected in Rosedale without permits. Councilmen McKinney, Martin and Crutcher were appointed to investigate.

After the bills, as audited, were allowed, the council adjourned.

JIM GARNETT SCORES KU KLUX KLAN

Hodgenville, Ky., July 7—The Ku Klux Klan was denounced as a "lawless organization" which "does not represent anything free masonry stands for" by James Garnett, of Louisville, Past Grand Master of the Grand Lodge of Kentucky Masons, in an address here Thursday.

Mr. Garnett was the principal speaker at the laying of the corner stone of the new Masonic Hall of Hodgenville, B. R. Young, Lodgt No. 132.

"Freemasonry was founded on the principles of free government," he said. "It teaches that all men have a right to worship God according to the dictates of their own conscience. It opposes autocracy and lawlessness and requires that its members shall patiently submit to the duly constituted civil authorities and support the laws of the country in which they live."

"A self constituted body, representing only a small percentage of our citizenship, has assumed right to go forth under the cover of masks and attempt to regulate society. It is said that the promoters of this organization are now claiming that it is an adjunct to Masonry, that it takes up where Masonry leaves off and by this argument it seeks to secure adherence from the craft. This lawless organization does not represent anything that Freemasonry stands for."

Frankfort Scene of K. K. Rites

Frankfort, Ky., July 7—A Ku Klux Klan initiation, spectacular throughout, was held here last night, when white-robed figures were seen moving around on Buttimer Hill, one of the highest elevations around Frankfort.

At 9:15 five shots, resembling blasts, were heard and a few minutes later a flaming cross, 15 or 20 feet in height, flared on top of the hill. The very cross was ablaze for about 30 minutes. While figures were plainly visible on top of the hill, it was not possible to tell how many were in attendance. It was reported that an organization meeting was held some time ago and that members were initiated last evening.

WANTS DRY LAW EXTENDED AT SEA

(By Associated Press)
Washington, July 7—Prohibition enforcement officers could board and search vessels within six marine leagues (18 miles) off the coast of the United States, under an amendment to the tariff bill proposed by Senator Sterling, republican, of South Dakota, today, a member of the judiciary committee.

BOND DISTILLERY SEIZED BY OFFICERS

(By Associated Press)
Louisville, July 7—Bond Bros. Distillery, near Lawrenceburg, today was seized by the government. Detectives announced the finding of a \$10,000 whisky receipt which it is believed may lead to developments in the killing of John Thomas, whose body was found near the distillery last week.

A Better Livestock Market Report

The Daily Register's improved livestock market report from Cincinnati which goes out to so many of its readers on the noon trains has been the subject of much favorable comment recently. This improved service is due to the cleverness of Cashier R. M. Rowland, of the Southern National Bank, who is getting this service daily from Norris, Brock & Co., livestock commission men of Cincinnati and well known here. The Southern National is displaying the livestock quotations on a blackboard in its lobby and is giving its farmer friends and customers a real service by so doing, and generously permits the Daily Register to use this service instead of the abbreviated report it has been using from other sources. Mr. Rowland is always on the lookout for something for the benefit of his patrons. He is a real live wire, and is making the old Southern one of the most talked-of and popular financial institutions in this section of the state.

BEREA BANK STARTS UNIQUE CAMPAIGN

Stockholders In Two Teams To Work Hard In Contest For New Business

The stockholders of Berea Bank & Trust Company held their mid-year meeting Wednesday night. Twenty stockholders were present, representing 320 shares of stock. Dividend checks were delivered and the stockholders were highly pleased with the showing for the first half of the year, 10 per cent above all expenses being paid.

The most important item of business transacted was the organization of a contest for new business. Stockholders and employees were divided into two teams to compete for new business during the remainder of the year.

John F. Dean, cashier, was chosen manager of the contest. C. B. Arnett was selected as captain of the Blues and M. B. Flanery of the Reds. Flanery got first choice and selected Mr. Huff the newly elected assistant cashier. Arnett selected R. H. Christman, vice president. From that time on until every one was chosen, interest was intense.

There are just 24 on each side. The contest begins at once and all points are doubled for the first ten days. The losing side pays for a supper at Boone Tavern at the annual meeting in January.

The many friends of Berea Bank & Trust Company will be interested in the progress of this race. Announcements of the standing of the contestants will be made from time to time.

DE VALERA AID DIES OF WOUNDS

(By Associated Press)
Dublin, Ireland, July 7—Approximately 700 irregulars were taken prisoner by the National army during the struggle in Dublin which was brought to a virtual close by the surrender of the remnants of the Republicans in the Sackville street area Wednesday. Cathal Brugha, one of De Valera's lieutenants, died, wounded today.

JACKSON CO. BUSY IN BIG CONTEST

McKee, Ky., July 7—One of the largest crowds for several years gathered in McKee Tuesday for an all day rally to inaugurate plans for working in the County Achievement Contest being put on by the Courier-Journal and the Berea College Extension Department.

Secretary M. E. Vaughn, of the Berea College, sounded the keynote in the first speech. Speeches of endorsement were made by Judge C. P. Moore, County Attorney J. J. Davis, Attorney L. C. Little, Rev. DeJong, Coleman Reynolds and W. R. Reynolds, the chairman. Every existing organization in the county was represented here and enlisted efforts to help make Jackson county win the first prize of \$3,000. As this county is expecting to help build a pike from McKee to Madison county and to build a new court house, she should show some real progress by the time the contest closes December 31, 1923.

ONE THOUSAND BOTTLES OF INDIAN MEDICINE GIVEN AWAY SATURDAY COMMENCING AT 10 O'CLOCK A. M. ONLY ONE FREE BOTTLE FOR EACH FAMILY. THIS IS ONE OPPORTUNITY GIVEN RICHMOND PEOPLE THAT WILL NEVER OCCUR AGAIN

One thousand bottles of Indian medicine will be given away Saturday. With each bottle of Indian Sennatone that is sold you will receive another bottle of Indian medicine free, Saturday, with all war tax paid. At 10 a. m. this free distribution will start. Chief White Eagle, Indian doctor at the Madison Drug Store, who has been with us for just several weeks, advertised his Indian medicine, says great business he has done here and has established through the Madison Drug Store. The Chief says he would like to say in Richmond all summer and wants to thank everybody for their kindness and respect. And to show his appreciation of Richmond people and the good folks in the county and for their liberality in patronizing him and their good will all over the country, he has decided Saturday, commencing at 10 o'clock a. m., as entirely cured.

long as they last, to give away free at Madison Drug Store 1,000 bottles of his Indian medicine. This is done, the Chief says, as an honorable advertisement and to help poor people and also as an inducement to get people to using his wonderful medicine. He has now testimonials from our very best citizens. They are coming from many places, some being cured of bad cases of stomach trouble, constipation. One woman testified that her little boy was almost eaten up with stomach worms and is now cured. And she said she couldn't thank the Chief enough for his wonderful medicine. There is another citizen who testifies that he had spent many dollars—had even sold his house and lot to get money to be doctored; had spent it all and had received no benefit whatever. Said he wouldn't give one bottle of White Eagle's Sennatone for all the other medicine he had bought. It has done him more good and he is almost day, commencing at 10 o'clock a. m., as entirely cured.

SOCIAL and PERSONAL

Delightful Spend the Day

Mr. and Mrs. B. L. Middleton entertained with a pleasant spend the day Sunday in courtesy to Mrs. Paul Collins, of Bellingham, Washington, Mrs. Price Witt, of Cincinnati, Mrs. Dan Chenault, of Mt. Sterling, and Misses Sara Hall Smith and Margaret Vaughn, of Shelbyville. The hospitality was a most charming one and greatly enjoyed by those fortunate enough to be included.

Jones—Azbill

Miss Sara Park Jones, daughter of Mr. Charles Jones, of Brassfield, and Mr. John Azbill, who has been connected with the Reeves Motor Company, of this city, were married at the residence of Dr. W. O. Sadler Thursday evening at 8:30. They will take two rooms with Mr. and Mrs. Kit Todd. Their many friends extend congratulations.

Delightful Party

Miss Elizabeth Whitlock entertained Monday evening with a delightful party at her home on Lancaster avenue. The color scheme was artistically carried out in the national colors. Games and dancing were enjoyed throughout the evening. An enjoyable feature of the evening was the music furnished by Mr. and Mrs. Ed Warford. Late in the evening Miss Whitlock assisted by her mother, served a delicious ice course to the following guests: Misses Eudell Hurst, Leadame Brock, Mary Brandenburg, Elizabeth Wheeler, Gladys Parks, Cordelia Hurst, Emma Noland, Messrs. William Wheeler, Walter Parks, J. P. Gilbert, Robert Todd, Jimmie Harris, George West, Ellison Adams and James McCarthy. Out of town guests were Mr. Willis Ballaw and Chas. Horan, of Louisville. About midnight the guests departed, reporting a good time.

Entertained at Bridge

Mrs. A. R. Denny was host to her bridge club and quite a number of other friends Thursday

afternoon at her home in Lancaster avenue. At the conclusion of the game a most delicious two course luncheon was served.

Among the guests were Mrs. Baldwin Brittain, Mrs. T. H. Pickels, Mesdames Howard Dyer, C. S. Powell, E. C. Stockton, Frank Clay, B. J. Clay, J. P. Chenault, Shelton Sauley, W. P. Millard, R. R. Burnam, Jr., S. J. McGaughey, Julian Tyng, T. C. McCown, L. B. Weisenburgh, Overton Harber, T. D. Chenault, Joel Park, Allen Zaring, M. C. Kellogg, B. L. Middleton, Charlie Jett, T. E. Baldwin, Jr., Harold Oldham, Preston Smith, Paul Burnam, Hale Dean, C. E. Smoot, and Misses Patsy Rosson, Florence Burnam, Bettie Perry, Elizabeth Farley, Dorothy Perry, Mary Catherine White, Josephine Chenault, Mary Bennett, Laura Bright, Mary Miller and Alice Clark Kellogg.

Mr. and Mrs. W. B. Duerson and son, Will T., of Wellington, Kansas, are enroute to Richmond to spend a couple of months with his mother, Mrs. Bettie Duerson. They are now spending a few days with Mr. and Mrs. J. E. Prewitt at Springfield, Mo.

Mr. and Mrs. J. D. Peel, of Winchester, have moved to this city to make their home.

Just another report of a case in Richmond. Another typical case. Kidney ailments relieved in Richmond by Doan's Kidney Pills.

D. B. Gayhart, Irvine street, Richmond, says: "I had attacks of kidney complaint. My back was weak and I had a dull pain through the small of it, just over my kidneys. I was stiff and lame through the muscles of my back and when I got up mornings I could hardly get around. I was told that Doan's Kidney Pills were good for that trouble so I got a box at Stockton's Drug Store and they relieved me right away. If I ever have another kidneys."

COVER CROP CAMPAIGN IS PLANNED AGAIN

(By Associated Press)
Lexington, Ky., July 7—A cov-
er crop campaign, similar to the
one carried on in the state last
year and designed to show farm-
ers the importance of protecting
their fields from erosion and
leaching during the winter by
means of cover crops, this fall
will be taken up with renewed
intensiveness and carried for-
ward in many counties of the
state through the co-operation of
farmers, county agricultural
agents and the College of Agri-
culture extension division, ac-
cording to R. E. Stephenson,
soils specialist of the college.

Preliminary plans for the
movement were presented to the
county agents in their recent
group meetings held in various
parts of the state. Several of
the agents announced that plans
already had been started in their
counties for carrying on the
work, while others stated that
the project would be opened in
their counties in the near future.
Last year the campaign result-
ed in more than 44,000 acres of
rye alone being sown for cover
crop purposes in 20 counties, this
acreage being an increase of 350
per cent over that of 1916, Mr.
Stephenson said. At least 3-
000,000 acres of cover crops will
be needed in the state this fall to
protect fields that otherwise
would remain bare during the
winter, he said.

In Pulaski county, one of the
first in which plans have been
started for the work, provision
will be made to have rye and
vetch or crimson clover seed on
sale at every country store. By
this means it is expected that
farmers will be able to get their
seed with the least amount of
trouble.

Fifty-three districts, each with
a local leader, will be organized
in Meade county to help put over
the campaign there. Meetings
will be held in each of the dis-
tricts in order to point out to
the farmers the importance of
seeding cover crops.

Kentucky's greatest fertility
loss is due to soil erosion, by far
the largest part of this occurring
where fields are left bare during
the winter, Mr. Stephenson said
in speaking of the campaign. Al-
ready 2,500,000 acres of land have
been eroded and many more in-
jured seriously, he said. Two
hundred pounds of limestone an
acre would be required each year
to replace the average loss of
calcium through leaching he said.

Miss Lucille Azbill is visiting
relatives in Detroit, Michigan.

**He Never Misses a Day From
Job Since Taking Tanlac, Says
This Akron Man—Mother Also
Restored To Good Health.**

"Our whole household believes
Tanlac for it restored my moth-
er to health a year ago and has
built me up 27 pounds," said Ac-
kerson C. Ball, 323 Dean street,
Akron, Ohio.

"I was almost skin and bones
and was so weak and run down
for several years I had to knock
off work and go to bed for two or
three weeks at a time. My stom-
ach was so weak that when I did
manage to force down some food
I suffered from burning sensa-
tions and intense pains.

"Well, Tanlac has restored my
mother when she was flat of her
back for a long time and had tried
everything else without result, so
I took Tanlac too. It is surpris-
ing the way it went after my
trouble. I gained twelve pounds
the first two weeks and have never
missed a day from work since.
We'll praise Tanlac the longest
day we live."

Tanlac is sold by all good drug-
gists.

DE GARMO HAVING BIG MEETING AT CALVARY

The revival at Calvary Baptist
church is getting in fine pro-
gress. The meetings are well at-
tended and each service the evan-
gelist delivers a great message.

Wednesday evening the house
was filled, practically every seat
taken. Dr. DeGarmo preached
on the "Two Roads." Text was
"Christ hath redeemed us from
the curse of the law, being made
a curse for us" Gal. 3:10. The
preacher said in part: "If you
are under the law and have not
kept it, then you are under the
curse, but God teaches that we
are to walk by faith, not by sight.
Those who walk by the law do
not walk by faith, but by sight.
No one but Christ has ever kept
the whole law and if you break
the law at one point you are guilty,
therefore, under the curse.
All men are not under the law.
Those who have trusted Christ
to save them are not under the
law, but under grace. 'For sin
shall not have dominion over you
for ye are not under the law, but
under grace,' Rom. 6:14. No man
has ever been saved by the law
nor ever shall be. There are two
roads to heaven (not two plans
of salvation) one is by the law,
the other is by grace through
faith. Sin has closed the road
by works for 'all have sinned and
come short of the glory of God.'
That leaves only grace to save
us, and those who are trying to
go by work will have to detour,
for that road has been closed by
their own sins. Grace is the only
road that is open. Some try to
mix law and grace. They say
salvation is partly by works and
partly by grace, but this is not
true. 'If by grace, then it is no
more works; otherwise grace is
no more grace; but if it be of
works, then it is no grace; other-
wise work is no more work.'
Rom. 11:6. 'I do not frustrate
the grace of God, for if right-
eousness came by the law, then
Christ is dead in vain.' Gal. 2:21.
Then if men are saved wholly by
grace and not by good works,
why should you live a good life?
We live a good life because we
love Him who hath redeemed us
from the curse of the law, 'for
by grace are ye saved through
faith...not of works...for we
are his workmanship, created in
Christ Jesus unto good works.'
Eph. 2:8-10. The good life
comes as the result of salvation
and not a means to salvation."

On Thursday evening a large
crowd attended the meeting re-
gardless of the circus in town
and other counter attractions.
Rev. DeGarmo gave "Seven Mo-
tives or Reasons for Accepting
Christ" his text being "He that
believeth on me hath everlasting
life." He said in part:
"Many reasons could be given
for accepting Christ, but I have
time to discuss only seven. No
man can afford to have a wrong
motive in this regard, for if he
trusts Jesus Christ to save him
he has everlasting life that very

moment, regardless of the mo-

seven reasons or emotions are:
rewards in heaven, 1 Cor. 3:13-
15; the fear of hell, Acts 17:31;
loved ones in heaven, Mat. 8:11;
in order to be useful in this life
and in the next, Mat. 25:21; be-
cause it is right to accept Christ,
Mat. 12:30; because of your in-
fluence, Mat. 1:17; because of
God's love, Rom. 2:4."

The strong point in Rev. De-
Garmo's preaching is that he
proves every statement by the
Bible and his logic is unanswer-
able. Miss DeGarmo has organ-
ized a junior and a senior choir
and the singing is getting better
each night. Singers from the
First Baptist church are helping
in the senior choir services and
are much appreciated. There is
room for a few more in the choir

and others are invited.
Rev. DeGarmo will preach
Friday night on "Why Nicodem-
us Came to Jesus by Night." He
will preach at Viny Fork church
Saturday at 2 p. m. In addition
to other services Sunday there is
to be a mass meeting at Calvary
church at 3 o'clock. Everybody
is cordially invited and especially
the members of the church are
urged to be present.

Firestone GUM-DIPPED CORDS -and Their High Mileage Records

The high mileage records of Firestone Cords continue to em-
phasize the fact that Firestone methods are different and better.
These records, steadily increasing in number and in mileage
totals, justify the Firestone contention that there is one best
way to build tires.

Among the primary sources of Firestone extra mileage is
double gum-dipping—the saturation of the cord plies in a vat
of liquid gum—thus coating each cord and virtually eliminating
internal heat and friction.

Another is Firestone air bag curing, with its 200 pound
pressure, which places every cord accurately and equalizes the
tension.

By blending the rubbers of different plantations and types,
and by tempering it before mixing, Firestone men add still
more mileage.

Many cord tires are good—a few are better—Firestone users
say one is best.

Those who have already experienced Firestone mileage, have
stopped shopping and experimenting—they have made these
cords standard equipment. Investigate your friends' success
with Firestone Cords—and buy your next tire accordingly.
Come in and get your share of extra mileage.
